

Second Chance Brewing Second Chance Brewing turned their name into their mission. Co-Founders, Marty, Virginia, and Curtis, started salvaging items that would one day have a second chance in the brewery. Some of their most popular beers include Seize the IPA with a bright citrus taste, and Seize the Coffee, an IPA infused with cold brew coffee.

Four (6oz) Beer Tasters are included with your meal. A full bar is also available for purchases, including rotating local brews and craft beer flights.
